I understand that the data above may be used to communicate with me and that it will not be made available to any other person or organisation. I have the right to request its deletion from Monkstown Village Tidy District's database at any time.

Signed _____ Date _____

*If you would like us to add a second family member to our circulation list, please complete a separate form with their details.

Our mission is

to enhance the tidiness and attractiveness of the village as a place to live, visit or work

We'll do this primarily by focusing on cleanliness, neatness and appearance, litter and graffiti control around the village.

As well as a calendar of tidy-up/cleanliness events, we also plan to **inform you about wider community activities and interests** including cultural and social events, garden, nature and biodiversity topics and other heritage themes and much more.

WHEN YOU JOIN AS A MEMBER, YOU WILL:

- Be asked for your opinion on our current and future activities
- Be able to attend and vote at any general meetings and serve on the Committee
- Get a quarterly members' newsletter and an annual report
- Have preferential access/prices for any special events
- Benefit from any special offers from our business supporters
- Get a transparent member's window sticker

WHETHER YOU JOIN AS A MEMBER OR A VOLUNTEER, YOU'LL:

- Be kept informed of all our events and activities
- Have access to all the information on our website

We'll use your data solely for the purpose of keeping in touch with you. We won't pass it on to anyone else and of course will delete it on request.

We'd be delighted if you'd let us know of any specific skills or knowledge you have which might be of benefit to the community. And any topics or activities which you'd be interested in knowing more about.
